- **Potato Scone**
- **Black pudding**

Welcome to our little bit of Italy

Our bacon, haggis and black pudding are from the fantastic Gilmore's butchers from the east coast. Our sausages are made with pork, leek & pancetta. Our eggs are always free range from the market right here in Leith and our bread is baked daily from a local bakery. We cook your breakfast to order so it tastes delicious, so sit back and relax. That's what Sundays are for!

TO QUENCH YOUR THIRST...
